One of the greatest joys in life is providing financial security for your loved ones. Family Freedom Term is a simplified issue term product designed to do exactly that. This policy can help protect your home or investments, and your peace of mind.

Why Do I Need Family Freedom Term?

Your family means the world to you, and you've promised to take care of them. The last thing you'd want is to leave them with payments they can't afford without you.

We often underestimate the expenses associated with a loss, such as:

- Outstanding Mortgages or Home Equity Loans
- Funeral expenses
- Legal fees
- Medical bills

By purchasing a **Family Freedom Term** life insurance policy from S.USA, you can help protect your family's future.

We can help protect your family's future in the event of your untimely passing.

- ✓ Optional Accidental Death Benefit Rider provides an additional death benefit of 1x the base policy face amount up to \$250,000 if the insured's death is the result of an accident (available for insured issue ages 18-74, expires at insured age 75)
- ✓ Optional Waiver of Premium Rider waives premiums should the insured become totally disabled (available for insured issue ages 18-55, expires at insured age 65)
- ✓ Optional Child Term Rider provides \$5,000, \$10,000, or \$15,000 in term coverage up to age 21, on the lives of up to 5 eligible (age 15 days – 17 years) children or grandchildren of the insured (available for insured issue ages 18-64)

* Available Face Amount and Level Term options are dependent on issue age. See above tables. Age references are age as of the last birthday. Premiums are guaranteed to remain level during the initial level term period and may increase annually thereafter.

**Receipt of accelerated death benefits reduces the death benefit and other policy values, may affect eligibility for public assistance programs and may be taxable. Please consult a tax advisor as to tax consequences. There is no separate premium charge for these benefits. However, upon election, the benefit is discounted because it is an early payment and a one-time processing fee of up to \$150 is deducted. Chronic Illness and Critical Illness benefits terminate upon exercise of the Terminal Illness benefit.

This is a brief summary only. The policy and riders have limitations and exclusions (including 2-year contestability period and suicide exclusion), and terms and conditions for keeping them in force. Optional riders require an additional premium charge. Please consult your agent or the policy forms for more details.
